Data will be used for building up genealogy for historical research purposes. Names, addresses and email addresses will be used for communication within the Society.

Please tick if you would like to have the information that you provide placed in the Society's database

I am interested in helping with one or more of the following:

- Assisting the Records Officer with research
- Writing articles for the newsletter
- Providing the Records Officer with documents and photographs
- I have a PC and am willing to help input data

Please send me more details.

I heard about the AFHS from:

- A relative or friend
- Record Office
- Family History Society
- Web site
- Other

Signature..... Date.....
